75TH CDA Festival

March 25 and 26, 2011

Pomperaug High School

Festival Host: Paul Doniger

Festival Directors: Ashley Erickson/Bill Prenetta

The CDA FESTIVAL is a two-day event where schools from across the state come together to share a short play of their choice. The two schools that receive the highest rating then proceed on to the New England Drama Festival. However, the festival's focus is less on competition and more on student education and community building. This year's festival will be held on March 25, 26 2011. Pomperaug High School is graciously opening their doors to us after school on Friday and all day Saturday for the annual event. Shows will be limited in running time to 45 minutes.

The CDA charges a registration fee which includes the ticket price to see all Festival productions, attend dialogue sessions, participate in workshops and receive three main meals (one lunch and two dinners) that will be served on the premises. Guests who arrive to view shows will still be able to purchase tickets at the door for just \$10 for 12 shows.

A compulsory Director's Meeting will be held on Feb. 5, 2011 at the Festival site- Pomperaug High School.

REGISTRATION MATERIALS AND FURTHER INFORMATION WILL SOON BE AVAILABLE ON THE CDA WEBSITE.
